Examination that addresses a specific problem or tooth including a small X-Ray that shows a specific area of concern.		

	Devra Discount SAVINGS	Non- Insured Cost
White Composite Filling	\$94 to \$204	\$107 to \$288
White tooth filling material used to fill the tooth where decay was removed.		
Extractions	\$95 to \$175	\$110 to \$245
Extractions range from the tooth and root being removed to the process in which a tooth may need surgical instruments to be used due to difficulty of removal.		
Impacted Wisdom Tooth Extractions	\$200 to \$280	\$238 to \$330
The process of a wisdom tooth removal that involves extracting a tooth that is partially stuck in the jaw.		
Root Canals	\$488 to \$688	\$629 to \$835
Treatment of the inside of a tooth, when the nerve becomes infected. Infected nerve is removed and the inside of the tooth is cleaned, then filled and sealed with a rubber-like material. Afterwards, the tooth will need a Crown.
